

join us for camp this summer!

What does “safe to be a kid” really mean?

A child’s spiritual life can be greatly impacted by their home environment, church involvement, and unique experiences like camp. CentriKid is committed to providing a place for kids to get away—even for a little while—to hear loud and clear that God loves them and has a plan for their lives. Safety in our programming, within relationships, and on campus are top priorities. We believe powerful things can happen when kids feel safe to be a kid!
