

CentriKid March Ramp to Camp Update

We are hopping right along and moving down the path of getting ready for CentriKid this summer! March is exciting around the CentriKid offices. We get to see sneak peeks of theme elements and videos, Peach shenanigans, train CentriKid leadership and see fun stuff that is coming to the Camp Store.

We know the month of March is fun and busy for you as well. You are ministering to kids weekly, working diligently on Easter programming, as well as ideating and preparing for summer activities. As for CentriKid, this is when you should have a really good idea of who will be going with you to camp. Continually pray for those who are registered as well as those students who may sign up last minute. Continue to share information with parents and get excited about camp. We are cheering you on and here to answer your questions all spring!

Here are a few updates that this month's CentriKid Ramp to Camp will include:

- Continue to Fill and Add Spots
 - CentriKid Prep Timeline
 - Camper Care Package Reveal
 - Group Leader Prep Center Steps are LIVE
 - What Can I Expect at My Camp Location
-

GROUP LEADER PREP CENTER IS LIVE!

Group Leader Steps 1-5 are active on centrikid.com now. Please take a few minutes to stop by and check out all the information provided. One of our priorities at CentriKid is making camp as easy as possible for you. The tools in our Group Leader Prep Center are one way we do this.

Step 1: [Camp Promotion](#): Continue to promote camp with the tools provided at this step.

Step 2: [Payments & Camp Policies](#): Please spend a few moments on this step getting familiar with our adult-to-camper ratio, criteria for adult leaders, visitors, etc.

Step 3: [Track Time Information](#): On this step, you can read a description of each of our track time offerings and see what is offered at each location. Please note: track time options may vary based on camp location and staffing.

Step 4: [Participant Management and Important Forms](#): Undoubtedly, this is where you will spend most of your prep time. We are so excited to present a new management platform for your Participant Waivers, Church Agreement Form, and Participant List. Instead of these all being separate files and documents for you to keep up with, we will now be hosting it in one web-based app that simply requires the Group Leader's email address and your Registration ID number to login! Parents can get the Participant

Waivers through a direct link that either you can send them, or that they can access on our website.

Step 5: [Camp Store and Camper Care Packages](#): Stop by this step to learn more about one of the most fun areas of camp...the Camp Store!
