1 JOHN 3:1A

This year at Centrikid, we are learning that God gives great gifts!

What's the GREATEST gift What's the GREATEST gift you have ever been given? Draw or write it below!

you have ever given someone else? Draw or write it below!

Read John 1:1-5 in your Bible to learn more about God's gift of His Word. Circle "the Word" every time you see it, underline "created", and draw light rays around the word "light,"

One of the greatest gifts God gives us is His Word. His Word helps us know Him - the Creator of the whole universe - more. Wow!

These verses tell us that from the very beginning, the Word existed. The Word was with God and the Word was God. But what or who could this Word be?

Check out John 1:14 in your Bible for a clue about "the Word" that John mentions!

After reading John 1:14, who do you think the Word is?

John 1:14 tells us that the Word became flesh and lived on earth with humans. It also says that the Word is God's only Son, so the Word must be Jesus! But why would Jesus be called the Word? How can someone be a word?!

One reason John called Jesus the Word is found in the book of Hebrews. Turn in your Bible to Hebrews 1:1-3.

Who did God speak through to our ancestors long ago? (Hint: look in verse 1!)

Who has God spoken to us through in these last days? (Hint: look in verse 2!)

These verses tell us that God spoke through prophets long ago! Prophets were men or women to whom God gave His message so they could deliver it to His people. But "in these last days," God has spoken to us by His Son, Jesus!

God's ultimate message or WORD comes through His Son, Jesus! That's one reason John calls Him "the Word." Jesus is God's greatest gift to us because He made a way for us to know God. Jesus has existed since the beginning. Jesus has always been with God, and Jesus has always been God. Wow, how cool is that?!

### **PRAY**

Thank God for giving us the greatest gift ever: Jesus, His ultimate and best Word! Ask God to show you throughout the day just how great of a gift we have in Jesus.

### TAKE-AWAY

Do you still have questions about what it means for Jesus to be the Word? Write them down and ask your Group Leader later today.

### GOD GIVES HIS PROMISE

Time Alone with God Theme: God Gives His Word

Text: Ezekiel 3:1-3; Psalm 19:7-11

### READ

Fill in the blanks in the Theme Verse below (Hint: For help, look up 1 John 3:1a):

Wow! Can you believe it's already the last day of CentriKid?! You've learned about so many of the great gifts God gives.

What gift has God given that you have learned about each morning in Time Alone with God?

Each day you've learned a little more about how God gives His Word to us so that we can know Him and love Him more and more. What a good and sweet gift God has given us!

Speaking of "sweet," when you're eating a snack, what do you like better: sweet or salty?

Draw your favorite

Draw your favorite salty snack here:

Did you know that God's Word is often compared to a very sweet food? Do you think you know what food it is? Let's figure out what it could be by going on a scavenger hunt through the Bible!

#### Find and read Ezekiel 3:1-3.

In these verses, we read about a vision, or dream, a man named Ezekiel had when the Israelites were in a place called Babylon. In this vision, God told Ezekiel to eat a scroll with God's message to the people on it. This was God's Word!

In the vision, Ezekiel ate the scroll, and what did he say it was as sweet as?

Now, let's go to the book of Psalms. King David compares God's Word to something sweet as well!

#### Read Psalm 19:7-11 below.

Underline any word or phrase that is another way to say God's Word. (Hint: look for words like instruction, precepts, command, etc.)

Circle the sweet food that we keep reading about in Scripture to describe God's Word.

The instruction of the LORD is perfect. renewing one's life; the testimony of the LORD is trustworthy. making the inexperienced wise. The precepts of the Lord are right, making the heart glad: the command of the LORD is radiant, making the eyes light up. The fear of the LORD is pure. enduring forever: the ordinances of the LORD are reliable and altogether righteous. They are more desirable than gold than an abundance of pure gold; and sweeter than honev dripping from a honevcomb. In addition, your servant is warned by them, and in keeping them there is an abundant reward.

### Which sweet food was compared to God's Word again?

Honey! The Bible says that God's Word is sweeter than honey dripping from a honeycomb! It is such a sweet gift that God has given us because His Word shows us who God is. The verses we read above say that God's Word renews our lives, makes us wise, makes our hearts glad, and makes our eyes light up! God's Word is perfect, trustworthy, right, radiant, pure, and it lasts forever.

Wow! God loves you so much that He has given you this great and sweet gift!

### **PRAY**

Reread Psalm 19:7-11. Which phrase about God's Word stands out to you the most? Thank God for the gift of His Word. Ask Him to help you grow in your desire to read it and your desire to know and love Him more.

### TAKE-AWAY

God's Word is sweeter than honey! Anytime you eat something sweet today, remember that God has given you the great gift of His Word. Tell a friend or family member about it!
