You will receive one last Ramp to Camp the week before camp begins; however, there are so many reminders to get you prepared for that week.

Here is a sneak peak of the updates for this Ramp to Camp:

- Timeline
- Camper Care Package Deadline
- Participant Management Platform Update

CAMPER CARE PACKAGE ORDERS DUE MAY 31

In order to help guarantee availability, we collect pre-orders for **Camper Camp Packages**. *(No money is due until arrival. Think of this as putting your care packages "on hold")*. Pre-orders are due by May 31!

These care packages include color team specific items to get campers completely prepared for OMC (our camp-wide relay game)! Price is \$35.

Click the button below to place your pre-order.

PARTICIPANT MANAGEMENT PLATFORM

All Group Leaders received an email in April with information about our new [Participant Management Platform](#). This is your one-stop-location to add your campers name, grade, track times as well as having parents submit their waiver.

Head over to [Step 4: Participant Management Platform and Important Forms](#): Undoubtedly, this is where you will spend most of your prep time. We are so excited to present a new management platform for your Participant Waivers, Church Agreement Form, and Participant List. Instead of these all being separate files and documents for you to keep up with, we will now be hosting it in one web-based app! Parents can get the Participant Waivers through a direct link that either you can send them, or that they can access on our website.

It is very important for our planning and especially making room assignments, that we

have this completed 14 days out from your arrival at camp, or sooner!

ORANGE TEAM RECRUITMENT!

Recruiting Adults & Team Assistants

While our CentriKid Team takes all of the planning of camp off of your to-do list, adults (the mighty **ORANGE** team) from the churches are a valuable part of camp...providing supervision for kids and building relationships in your ministry. Don't forget that your church group needs 1 adult for every 5 campers registered.

Are you having a hard time finding adults? Here are some tips...

- Recruit someone on staff at church
- If one adult cannot give an entire week, consider splitting the camp week between 2 adults
- Bring your work to camp! There is time and opportunity for your adults to get some of their work done.
- Bring a High School Junior/Senior or College Student as a Team Assistant.

TEAM ASSISTANTS

We are happy to offer a discount of \$100 off for participants in the Team Assistant Program. What is a Team Assistant? Check out information here:

<https://centrikid.lifeway.com/team-assistants/>

Please Note:

High school or college students who attend camp but are *not* planning to participate in the Team Assistant program are not eligible for the discount. Students must be at least rising juniors to participate and receive the discount.

If you would like to add a team assistant to your existing registration, or if you are already planning to bring team assistants, you can call our customer service team to receive the discount. 877-CAMP-123. This special pricing will *not* be applied to your account automatically.
