## IN EVERY EMAIL

Ramp to Camp Emails share very important information to get you ready for camp. Please keep these in a folder to refer back to. And if you accidentally delete or lose an email, we have all of them archived on our website [here](#). If you ever need help with your registration, please call 1-877-CAMP-123.

## Camper Care Package Pre-Orders

In order to help guarantee availability, we collect pre-orders for **Camper Camp Packages**. (No money is due until arrival. Think of this as putting your care packages “on hold.”) Pre-orders are due by May 31st. The price is \$35 and it includes an OMC Shirt, a backpack, a water bottle, color team eyeblack, color team sunglasses, and a themed sticker.

*Note: Care Packages ordered after May 31 are subject to availability, and items may be substituted.*

**Click Here to fill out the Pre-Order Form**

## Participant Management Platform

The Participant Management Platform is now available for Group Leaders to begin adding participants and monitor the completion of participant waivers. There, you can see all of your camp registration details in one easy view, showing you everything from contact information, your current registration number, and important dates (such as deposit and balance deadlines).

[Click here for more information & FAQs about the Participant Platform](#)

Using the buttons at the bottom of the landing page, you can easily navigate to the Group Leader Prep Center, request an emailed camp statement, and/or even make payments from this page. You can also email us to request changes to your camp information by using the [Email Us](#) button found at the bottom of the page.

**[Bookmark this Participant Platform link now](#)** for easy access throughout your camp prep season.

**Important: Please do not share this link or your login details** with anyone except those approved to manage your registration and participant list.

You will need to enter your Registration ID and the email associated with your registration to access your unique landing page. We've added it below for your convenience.

## **Track Time Selection Updates**

We know Track Time selection for campers can be a bit of a puzzle, so we've made changes to make it easier than ever! We've heard your feedback, and we think these changes will make things smoother for everyone.

This year, **parents will have the opportunity to select their camper's preferred track times at the same time they complete the digital waiver.** This means the choices will automatically populate into your participant lists. During the waiver request process, parents will have a link to view a video and a PDF that provides an overview of the different tracks we offer so they can make informed decisions. If parents enter their preferences, you'll see them on your list right away. Below is a screenshot of what that process looks like.

**CentriKid Camps Participant Waiver**  
 Step 2 of 2 Obtain a Waiver Release Form for Camp Participant

 Registration ID: 90878  
 Grade Completed: 4  
 Participant Gender: F

Participant First Name:

Participant Preferred Name:

Participant Last Name:

Sign Waiver Now:  Check this box and Submit to get a link to sign the form now.

Sign Waiver Later (Optional):  
 Send it to my Email (Valid for 2 hours):  
  
 Text it to my Phone (Valid for 2 hours):

Don't worry—you can always add, edit, update, or override any entries on your participant list. (We all know you will always have a few parents who forget to sign the waiver until the day before camp, and of course, your lists are still due 14 days prior). A key thing to remember is that **the last submission—whether from a parent via the waiver, or a Group Leader via the participant list—will be the one that's saved**. So if you manually add selections and a parent later completes the waiver, their choices will replace what's on the list.

This flexibility lets you find the best approach for your group. If you prefer to collect track selections in a group setting and input them all manually on your list, you still have the option. You know your group best, and we're here to support you, so let us know if you have any questions!

## Orange Team Recruitment

### Adults & Team Assistants

While the CentriKid Team handles all the camp planning, the adults (our mighty **ORANGE** team) from your church play a key role in camp—supervising kids and building meaningful relationships in your ministry. Remember, your church needs one adult for every five campers registered! If you're having trouble finding enough adults, here are a few ideas to help:

- Recruit someone on staff at church
- If one adult cannot give an entire week, consider splitting the camp week between 2 adults
- Bring your work to camp! There is time and opportunity for your adults to get some of their work done.
- Bring a High School Junior/Senior or College Student as a Team Assistant.

### TEAM ASSISTANTS

We are happy to offer a discount of \$100 off for participants in the Team Assistant Program. What is a Team Assistant? Check out information here:

<https://centrikid.lifeway.com/team-assistants/>

**Please Note:**

High school or college students who attend camp but are *not* planning to participate in the Team Assistant program are not eligible for the discount. Students must be at least rising juniors to participate and receive the discount.

If you would like to add a Team Assistant to your existing registration, or if you are already planning to bring team assistants, you can call our customer service team to receive the discount. 877-CAMP-123. This special pricing will *not* be applied to your account automatically.
