ORANGE TEAM RECRUITMENT

ADULTS

While the CentriKid Team handles all the camp planning, the adults (our mighty **ORANGE** team) from your church play a key role in camp—supervising kids and building meaningful relationships in your ministry. Remember, your church needs one adult for every five campers registered! If you're having trouble finding enough adults, here are a few ideas to help:

- Recruit someone on staff at church
- If one adult cannot give an entire week, consider splitting the camp week between 2 adults
- Bring your work to camp! There is time and opportunity for your adults to get some of their work done.

TEAM ASSISTANTS

We are happy to offer a discount of \$100 off for participants in the Team Assistant Program. What is a Team Assistant? Check out information here:

<https://centrikid.lifeway.com/team-assistants/>

Please Note:

High school or college students who attend camp but are *not* planning to participate in the Team Assistant program are not eligible for the discount. Students must be at least rising juniors to participate and receive the discount.

If you would like to add a Team Assistant to your existing registration, or if you are already planning to bring team assistants, you can call our customer service team to receive the discount. 877-CAMP-123. This special pricing will *not* be applied to your account automatically.
